

Confidentiality Statement:

Thank you for participating in this survey. Please be assured that your responses will be kept strictly confidential and will only be used for research purposes. Your responses will not be associated with your name or organization in any report, publication, or presentation that uses this data.

Because your participation is completely anonymized, once you submit your responses, we cannot link them back to you, and therefore, it is not possible to delete or retract your response after submission.

Voluntary Consent Form:

Your participation in this survey is entirely voluntary. You may choose to withdraw at any point during the survey without any negative consequences. By continuing with this survey, you indicate that you understand the above statements and agree to participate.
